(harold.good@dmps.k12.ia.us; 242-8321)

Issue: Renewal of the PPEL for an additional ten-year period.

<u>Superintendent's Recommendation</u>: The superintendent recommends that the Board authorize the attached resolution calling for a special election on the question of continuing for another ten-year period a voter approved Physical Plant and Equipment Property Tax.

<u>Background</u>: PPEL generates approximately \$4.4 million per year and will expire on June 30, 2011. The current PPEL levy was approved in September 2000. PPEL funds building maintenance including roofing, masonry, asphalt, concrete, asbestos and lead abatement, HVAC, fencing, flooring replacement and other repairs to buildings. It finances basic needs including school buses, custodial equipment, musical instruments, and computers. PPEL also covers energy conservation measures which reduce utility costs that are paid with general fund revenues.
