Mask Up in School for Yourself **AND** Others

The U.S. Centers for Disease Control recommends indoor masking by all teachers, staff, students, and visitors in schools, regardless of vaccination status. We encourage everyone at DMPS to please mask up when inside one of our school buildings to lessen the spread of COVID-19.

If you are eligible and have not yet received the COVID-19 vaccine, please take the time to do so. Information on receiving the vaccine in Polk County is available at [www.immunizepolk.com](http://www.immunizepolk.com).
