

Multi-cultural Learning Experiences

- **Number and type of world language offered and the sequence:**
 - MS:
 - 6th-8th grade Exploratory Spanish
 - For native speakers: 6th-8th grade Heritage Spanish
 - HS:
 - Spanish: I, II, III, AP Spanish IV,
 - For native speakers: Heritage Spanish Foundations, Heritage Spanish Language Arts
 - Additional offerings at Central Academy:
 - Spanish: AP Spanish IV, College Spanish V, Medical Spanish Interpretation
 - French: I, II, III, AP French IV
 - German: I, II, III, AP German IV
 - Italian: I, II, III, AP Italian IV
 - Chinese: I, II, III, AP Chinese IV
 - Japanese: I, II, III, AP Japanese IV
 - Arabic: I, II, III, IV
- **Grade level access to these world language - when do we begin to offer access to these languages at 6th grade, 7th grade, etc...**
 - We offer world language for grades 6-12.
- **Which schools offer access to world languages? Do we have a wait list?**
 - All MS and HS offer world language (Spanish) and Central Academy offers additional languages that HS students from all the comprehensive HS can request and take. All MS students take a Spanish course as part of their exploratory wheel (except Brody students, who take it year-long due to IB). HS students can request to take world language courses as part of their schedule. Central Academy does have an internal wait-list process for their courses if requests are greater than available seats based on staffing.
- **What are the numbers and percent of students who are requesting these courses?**

School	World Language Request at Home High School	World Language Request at Central Academy	Percent of Students Requesting World Language
East	1042	108	57.8%
Hoover	333	66	44.0%
Lincoln	898	173	43.4%
North	632	103	49.8%
Roosevelt	873	326	58.9%
Virtual Campus	198	14	58.4%

Career and Tech Education

- **What are the categories (Health Science, Automotive, Culinary Arts, etc.) and the suite of courses offered in our Career and Tech Ed program?**

- The career clusters/categories are listed below:
 - Architecture, Construction & Design Engineering
 - Arts, Communication, Information Solutions, Multi-Media
 - Business/Technology
 - Construction Skilled Trades
 - Education and Leadership
 - Environmental & Agri-Science
 - Family & Consumer Sciences/Human Services
 - Future Ready
 - Health Sciences
 - Transportation
 - Work-Based Learning
 - Aviation Technology
 - For a list of individual courses that fall into each category, please see the catalog found here: <https://www.dmschools.org/wp-content/uploads/2022/09/23-24-HS-Course-Catalog-final-copy.pdf>

- **Grade level access to these CTE programs - when do we begin to offer access to these languages at 6th grade, 7th grade, etc...**

- We offer exploratory CTE courses in business/technology and health in MS (grades 6-8).

- **Which schools offer access to CTE programs?**

- All MS offer the exploratory wheel courses for business/technology and health. All HS have CTE offerings. Individual course offerings vary annually based on student course requests.
- East, Hoover, and Lincoln have additional technology education (construction trades, engineering) courses available while North and Roosevelt do not. Students at all comprehensive HSs can take courses from any career cluster at Central Campus.

- **What are the numbers and percent of students who are requesting these courses?**

School	CTE at Home High School	CTE at Central Campus	Percent of Students Requesting CTE
East	1045	329	69.1%
Hoover	406	137	59.9%
Lincoln	1443	541	80.4%
North	741	272	68.6%
Roosevelt	968	526	73.3%
Virtual Campus	183	45	62.8%

- **Do we have a wait list?**
 - We do not have wait lists at the comprehensive HS for CTE courses (section offerings are based on course requests). At Central Campus, individual courses sometimes have waitlists if there are more requests than seats available. These are maintained via the Central Campus admissions process and students are moved off the waitlist as seats become available. Which courses have waitlist varies annually depending on student requests.

Advanced Placement

- **What are the courses offered that are Advanced Placement and are recognized by the College Board?**
 - All AP courses currently offered in DMPS are recognized by the College Board. Additional AP courses that are approved by the College Board that we do not offer in DMPS are:
 - AP Art History (we have offered this course in the past but do not currently)
 - AP 3D Art and Design (we have offered this course in the past but do not currently)
 - AP Microeconomics
 - AP Latin
- **When can students access AP courses?**
 - AP offerings are available to students in grades 9-12, depending on their academic needs and request/interests.
- **What AP courses are offered at each grade level?**
 - AP courses are not, strictly speaking, grade-level dependent. Some courses are more frequently taken by students of a certain grade, but there is not a clear-cut grade-specific pathway for AP courses as it varies by content area, individual student needs, and staffing. Some general grade groupings are listed below:
 - English/Language Arts:
 - AP Language & Composition – usually students in 11th or 12th grade.
 - AP Literature & Composition – usually students in 11th or 12th grade.
 - Mathematics:
 - AP Statistics, AP Pre-Calculus, AP Calculus – taken by students who have completed Algebra II, not grade-level dependent.
 - Social Studies:
 - AP Human Geography – usually students in 9th or 10th grade.
 - AP US History – usually students in 10th or 11th grade.
 - AP Psychology, AP World History, and AP European History - usually students in 10th – 12th grade.
 - AP Macro Economics and AP US Government – usually students in 12th grade.
 - Science:
 - AP Biology, AP Chemistry, AP Physics 1, AP Physics 2, AP Physics C, AP Environmental Science – usually students in 10th-12th grade.

- Electives:
 - AP Spanish IV
 - AP French IV
 - AP German IV
 - AP Italian IV
 - AP Chinese IV
 - AP Japanese IV
 - AP 2D Art
 - AP Music Theory
 - AP Computer Science A
 - AP Computer Science Principles

Dual Credit (college credit course)

- What are the courses offered that are dual credit?
 - Dual credit courses currently offered in DMPS (23-24 school year) are listed below by offering location
