Turner Construction will receive Statements of Qualification (also referred to as Preapproval Forms herein) for construction of Des Moines Public Schools North High School – New Track and Field in Des Moines, Iowa. The project includes selective site demolition and disposal of some existing structures such as athletic fields, track, football goal posts, field throwing event slabs, curb and gutter, irrigation system and chain link fence enclosures; site development work consisting of excavation and grading for new storm sewer and drainage main piping structures and water distribution, a new football field/soccer pitch, a new 8-lane track, and new shot put, discus, and hammer throwing event slabs with sand pits; new site storm drainage utilities for the new field/pitch and track; new concrete walks and parking areas; construction of new 8-lane asphalt track and D-zones with synthetic surfaces; new long jump, shot put and discus event slabs/pits complete with sand pits and track and field accessories; construction of a new synthetic turf practice football field and soccer pitch complete with field accessories; new chain link fences and gates and track and field enclosures; electrical and communications work for home and visitor sidelines, tracking timing system, play clocks and scoreboard; and other miscellaneous items with all of the work appurtenant thereto per the plans and specifications. All work to be performed as shown in the construction documents. All work to be performed as shown in the construction documents. The project is located at:

DMPS North High School New Track and Field
615 Holcomb Avenue
Des Moines, Iowa 50313

PREAPPROVAL FORM SUBMISSION

Statement of Qualifications Preapproval Forms must be filled out, compiled, and submitted by or before **2:00 PM, January 10th, 2025**. Any submissions received after this time will not be accepted nor opened. All Statements of Qualification Preapproval Forms must be submitted electronically to the Building Connected website. Submitters are to contact Janelle Ward at jaward@tcco.com to request setup and access to the Building Connected website for Preapproval Form submission. (Note, when requesting setup and access, please indicate which package(s) you are interested in prequalifying for in your email request.)

LISTING OF WORK SCOPE PACKAGES

Preapproval Form submissions are only being accepted at this time for the work scope packages listed below:

BP 31.01 Site Demolition, Earthwork, and Utilities – This package includes site prep and erosion control measures; selective site demolition and disposal of existing athletic fields and existing track and field throwing event slabs and chain link fence enclosures, football goal posts, existing concrete curb and gutter, and existing irrigation system; earthwork consisting of stripping, and cut/fill rough grading to proposed contours; and site utility work related to storm

sewer and drainage main piping and structures and water distribution; all per the documents. Specific information pertaining to the bid package scope of work is outlined on the Bid Package Bid Form.

BP 03.01 Concrete Work – This package includes selective demolition, concrete flatwork for sidewalks, long jump, shot put, and discus event slabs and pits, joint sealants for expansion, construction, and slab isolation joints per the documents. Specific information pertaining to the bid package scope of work is outlined on the Bid Package Bid Form.

BP 32.01 Synthetic Turf and Track – This package includes excavation for shallow storm sewer subdrain and trench drain, rock subbase, concrete curbs, asphalt paving, and rough carpentry specific to the construction of the new field/pitch; new 8-lane asphalt track, long jump runway, and D-zone synthetic surfacing, long jump and shot putpit aggregates; long jump, shot put, and discus event track and field accessories; and construction of a new synthetic turf practice football field and soccer pitch complete with field accessories and hand holes for water and electrical access within surface per the documents. Specific information pertaining to the bid package scope of work is outlined on the Bid Package Bid Form.

BP 11.01 Scoreboard – This package includes excavation and reinforced concrete foundations for play clocks and scoreboard; steel framing for play clocks and scoreboard; and supply and installation of new play clocks and scoreboard per the documents. Specific information pertaining to the bid package scope of work is outlined on the Bid Package Bid Form.

SUBMISSION PROCEDURE

Completed Preapproval Form submissions shall only be accepted electronically via upload to the project's **Building Connected website**. Contact Janelle Ward at jaward@tcco.com to request access to the Building Connected website.

SUBMISSION WITHDRAWAL

Submissions may be withdrawn by submitter upon written request any time prior to the submission.

SUBMISSION ACCEPTANCE

The Construction Manager and/or Owner will review, and score submitted Preapproval Forms based upon an objective scoring process and statutory criteria. Submissions meeting or exceeding minimum scoring criteria shall be deemed as an approved bidder for the project. The Construction Manager and/or Owner retain the right to reject any/all submission documents if documentation is deemed flawed, incomplete, or insufficient to properly score.

All submitters must complete and submit the correct Prequalification Forms and supporting documentation to be considered responsive.

QUESTION / CLARIFICATION REQUESTS

Any/all questions are to be submitted electronically via Building Connected website. Questions can be submitted at any time but must be submitted **no later than 12:00 pm on January 3, 2025**. Responses to questions received will be published as a clarification document and posted to Building Connected by 12:00 PM on January 6, 2025.
